House Regulations

Rules of conduct at Magdeburg-Stendal University of Applied Sciences

Basic principles: Treat one another with **respect** - pay attention to **order, safety and cleanliness** - treat facilities with care - use resources sparingly!

Any actions likely to undermine the dignity of another individual or to endanger safety and order, are **forbidden**. In particular:

- sexual harassment and violence,
- any kind of discrimination,
- anticonstitutional activities,
- the carrying of weapons,
- spraying, painting, writing upon, soiling, damaging or misusing surfaces, ceilings, walls and items of equipment,
- taking animals indoors with you,
- walking dogs without a lead in external areas,
- drinking alcohol during working hours and in classes,
- smoking in buildings,
- consuming or dealing in psychoactive narcotics,
- infringing road traffic regulations on the site,
- parking bicycles and riding in the corridors inside the buildings.

The following actions require prior **permission**.

- putting up of posters, banners, wall newspapers etc.,
- barbecuing in the outdoor areas,
- the setting up of sales and information stands and any other method of selling goods,
- recording of film, television, drone footage and sound by external persons,
- events of all kinds that are not connected to teaching within the university,
